

Atom Age Vampire DVDTee (XL)

Includes both DVD and Tee Shirt!

DESCRIPTION

This "DVDTee" includes both a DVD of the 1960 cult film, Atom Age Vampire, and a tee shirt featuring the original poster art. In this underground horror classic, when an attractive dancer becomes horribly disfigured in a car accident, a twisted scientist attempts to restore her original beauty through a process of "tissue regeneration." The mad professor's experiment yields remarkable results, restoring the young Jeanette's gorgeous appearance. The only problem is, the process requires repeated application of a formula derived from the glands of a young female corpse. Having fallen hopelessly in love with his specimen, the professor must now take to murdering other women to maintain Jeanette's perfect appearance. It's not long before her ex-boyfriend returns from sea, and begins to grow suspicious!

SKU#	AAV1960XL	Street Date:	07/27/10	Box Lot:	30	Audio:	STEREO
