The Gods Of Times Square

Religious zealots roam the streets of the former riveria of free speech as **Times Square descends into a Giuliani slashed Disney hell**. The Gods of Times Square, Richard Sandler's first feature film, filmed between 1993 and 1998, documents the religious fanatics, doomsday prophets, drug addicts and marginized street folks before, and during, the grotesque process of Disneyfication.

Bonus

- The Gods of Time SquareD (45 minutes)
- Through the Looking Glass Featurettes: Street Preaching, James, Hebrew Israelites, and Jimmy (45 mintues)
