

Finding Lenny

Everyone keeps telling Lenny Vincent that everything happens for a reason. Now he's ready to believe it.

Description

On Lenny's birthday his life changes radically; he loses his job, his wife, and his position as coach of the soccer team at the local school. Just when you think things can't possibly get worse for Lenny, they do when he finds himself in the middle of a gang hijacking and, before long, tied up in the trunk of the thug's car. After his run in with the gangsters, Lenny meets a tribal Chief who is in a tough spot -- a corporation wants his ancestral land. With everything on the line, the Chief agrees to a soccer match against the company to decide the fate of the land and believes that Lenny is the key to a win on the field. Our hero must pull himself together, assemble and train a motley crew of strikers and defensemen then move forward with his life and love to come out on top in the end.
