

# Divination - Age Of Man

Heavy Metal death squad, Divination, return blasting American Metal with the fire of a bullet!

## Description

Reading, Pa. based extreme metal platoon, Divination has called to arms "The Age of Man," their second full length album on DRP Records. Featuring 10 songs that are nothing less than brutal, unrelenting and flat out heavier than Hell. With napalm spewing guitars, machine gun drumming at hellfire missile speeds and shrapnel gargling vocals, Divination have abandoned their strict Death Metal course of action and expanded their arsenal with munitions of Thrash, Hardcore, Black Metal and Progressive Metal. These guys have been in the trenches for a long time and their blitzkrieg live show, sniper precision song crafting and presence more explosive than a box full of grenades have allowed them to turn the heads of their national touring peers, turn fans into soldiers for their cause and made Rambo pee in his pants. Divination have the secret to staying power under lock and key and you can bet your foxhole that they will be on the front lines for a long time to come.
