

Big Foot

America's abominable snowman breeds with anything! Starring John Carradine.

Description

Bigfoot is real and hunters are out to get him in this low budget film starring John Carradine. The idea of capturing the gigantic "King of the Woods" for a circus or profitable public exhibition show fills the hunters with ideas when a young woman disappears and is thought to be captured by Bigfoot. Hip college students and a skeptical sheriff are also aware of the woman's disappearance and all set out to search for the missing woman.
