

8084 - The Last Great Train

New Hampshire's 8084's 2006 album is an AOR classic filled with classic rock anthems.

DESCRIPTION

American AOR mainstays 8084 are back with their fourth effort, entitled THE LAST GREAT TRAIN. This foursome continues the ride started in the 1980s and this stop is chock full on rock anthems as 8084 fans have come to expect. From the opening notes of Breathe, 8084's distinct sound is evident. Although maturing as musicians and people, the group continues the tradition it set forth at the onset. Over the last several releases the group has worked with renown producers Hirsh Gardner and Aldo Nova, the group decided to produce this one themselves. Energetic, charismatic and dedicated, 8084 have been exciting audiences for over a decade. Sharing the stage with such acts as Aldo Nova, Toto, April Wine, Warrant, Edgar Winter and Blue Oyster Cult among others.
