

Defiled

Anonymous Internet Sex Addiction

Description

When Cassidy's parents leave town, she seizes the opportunity to fulfill her darkest fantasy... Cassidy has a taste for sex with strangers she meets on the Internet. Never fully satisfied by these encounters, she decides to take things to the next level. Placing a post online, she receives a phone call from The Man she thinks she's been looking for. Unfortunately, he has no intention of leaving once the night is out... Graphic, brutal and disturbing, DEFILED exposes the violent outcome of our darkest sexual fantasies in a tale "ripped-from-the-headlines".
