

Buggirl - Dirt In The Skirt

Sylvia Massy produced album from Australian rock n roll duo.

DESCRIPTION

If Buggirl's 2009 release 'Blood, Sweat & Beers' had you neck-deep in a drunken pub brawl, then 'Dirt In The Skirt' is gonna take ya down and dirty and slide ya right on into home ... 'Dirt In The Skirt' marauds and grooves like a band of outlaws getting amongst anything and everyone. With tracks like "Hungry As Hell", "Shakin' Up Saturday", "Wasteland", "Spread That Eagle" and "Fat n' Greasy" .. this is whisky soaked Rock n Roll that'll guarantee to get the head shaking and the bed breaking. Buggirl bled their vintage pub-rock sound all over the walls of Weed, CA's notorious theatre, Radiostar Studios. With legendary producer Sylvia Massy (The Black Crowes, Slayer and Tool), 12 tracks were cut that are a feast of outback blues and outlaw attitude. Motorhead meets Deborah Harry doing Dirty Harry in the back of a '73 Charger, drivin' straight through the heart of the desert. Cop it straight from Buggirl's 'Dirt In The Skirt'. You're gonna be sore ... but satisfied.
