

## Steevi Jaimz - My Private Hell

UK's Steevi Jaimz, the former voice of the Glam band Tigertailz, is back with a vengeance and a new hard rockin' release.

### DESCRIPTION

My Private Hell, the long-awaited new studio album from which combines Steevi's trademark Glam style melodies with great choruses and incredible backing vocals. The album was written, performed and produced in Sweden with Chris Laney and Anders Ringman (AKA Platform) and mixed at Polar Studios in Stockholm. This is easily Steevi's most accomplished release to date. All the songs are written by Jaimz with Laney and Ringman except for "Don't Say It's Over" which was written by Laney and Ryan Roxie. My Private Hell easily rises to the top and hails with those peers such as Kiss, Ozzy, Crashdïet, Danger Danger, and early W.A.S.P. It should come as no surprise that this album is heavier sounding than prior works by Steevi as Chris Laney seems persistent in combining his fat guitar riffs and dark bass lines with the Steevi's super catchy choruses. This is above all a good time-party metal album demonstrating pure star quality, the way Rock was meant to be!
