

# Lee Scratch Perry - LSP Megawave Box Set

The 3-CD box set from Grammy®-winning reggae legend Lee "Scratch" Perry!

## Description

Dub reggae legend Lee "Scratch" Perry delivers a three-album collection, including the Grammy-nominated collaboration with multi-instrumentalist Steve Marshall and producer John Saxon. Perry continues to create unique, category-defying music. For the uninitiated, Lee "Scratch" Perry is one of the most important figures in the history of reggae music. Not only did he help develop the early reggae sound captured in a number of important recordings, but as an engineer, producer, songwriter, and performer he pioneered a number of innovations, including dub reggae. Lee Perry draws his narrative from his spirituality and today's global events. Very special guests include Keith Richards and George Clinton, with Marshall, MySpace favorite Erica Iji, Reuben White, Tim Hill, Mark Mason, Sheridan Tandy, Duncan & Green, Tim Hill, Dr Sleepy, Alec Hay, elodieO & Abi Browning, and David Stewart Jones also featured.

## Bonus Materials

- Includes poster
