

Bobby Collins - Telling It Like It Is

Bobby Collins breaks it down on this new stand up comedy DVD.

Description

Sometimes as a performer, you can work a show where the audience, the venue and the performer combine together to create a show capturing the organic reason I do Comedy. You start out one way and end another. This was one of those shows. I hope you enjoy it - if not, don't tell anyone - remember what your mother always said, "if you don't have anything nice to say....." Bobby
