### DESCRIPTION

A year after the release of their third consecutive top 10 Billboard single "Immortal", The Cruxshadows are showing once again why they are a force to be reckoned with, and an international leader in dark electronic music. Their new single "Quicksilver" is a hard hitting, dance floor dominating track with thought provoking lyrical depth, compelling melodies, and a chorus that will stay with you long after the music ends. The Cruxshadows bring their signature blending of punchy guitar, counterpoint violins, and synthesizer based textures together with words that tie the music to your world. Contains 3 versions of the title track, as well as two additional new songs- Avalanche and Roland.
